*Ensuring a safe and secure homeland for all North Dakotans*

December 12, 2017

John A. Evanoff, Attorney-Advisor,  
Public Safety and Homeland Security Bureau  
Policy and Licensing Division,  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear Mr. Evanoff:

The Region 32 National Regional Planning Committee is filing the Region 32 Public Safety 700 MHz Radio Communications Plan for General Use Spectrum in the 769-775/799-805 MHz band for approval. This plan was based on the template developed by the National Regional Planning Committee. It meets the needs of the region which consists of 53 counties, 5 tribal governments and the state as there has been no request to use 700 MHz at this time.

Concurrence was received from the surrounding National Regional Planning Committees of Region 22 - Minnesota, Region 25 - Montana and Region 38 - South Dakota. These letters are included in the plan.

If there are any questions please contact me at [mlynk@nd.gov](mailto:mlynk@nd.gov) or phone number 701-328-8150.

Sincerely,

Michael Lynk, Director  
Division of State Radio Communications  
ND Department of Emergency Services
